What is a follower?

Luke 5:1-11, two things happen in response to the amazing catch of fish.

1. Simon is overwhelmed with his sinfulness.
2. Jesus asks Peter and his friends to leave their fishing business and do something greater.

The Biblical Invitation to Follow:

1. To follow is to respond to Jesus' call.
2. To follow is to give up the old life to commit to the new.
3. To follow is to serve in the kingdom.
4. To follow is to be ready to accept suffering.

In response:

Do you like Jesus?

Do you have opinions about Him the way people share things on twitter?

Or do you follow in the biblical sense of the word?
