## **February Sermon Series: Relationships**

Marriage is good, both for couples and families, as well as for society as a whole. It is important for all of us, married or not, to uphold marriage.

There are three couplets in Ephesians 5:21-33 (Sarah Sumner). Note your response to each pair.

1. Submission and Sacrifice

2. Head and Body

3. Respect and Love

Application. How will you strengthen your marriage, or support marriages generally?
