1. Happiness doesn't happen easily because happiness is so dependent on circumstances.
2. Fortunately, there is something much more reliable than happiness. It is called JOY.
3. Step 1 of the recipe for overflowing Christian joy is when you give yourself first to the Lord.
4. It starts with a step of obedience.
5. But because they first trusted the Lord, they then trusted that Paul would take their offering and deliver it to the church in Jerusalem.
6. When you find people who wish to give sacrificially for the needs of others, you have found very special people
7. The recipe for overflowing joy originated with Jesus
8. He gave himself completely to the Father out of love for us and for our benefit.
9. God's Joy is now our Joy.
10. Jesus is the model for Overflowing Joy.
